

**Hamilton Center, Inc.
Indianapolis Services – Partial Hospitalization Program**

IMPORTANT INFORMATION ABOUT OUR SERVICES

Welcome to the Indianapolis Services location of the Hamilton Center, Inc. The office is located at 2160 N. Illinois Street, Indianapolis, IN 46202.

The Indianapolis Services location of Hamilton Center, Inc. offers various treatment options to the community including a Partial Hospitalization Program Service. This program offers intensive day services for people with serious mental illness. Services take place several hours each day and are geared towards helping adults live as independently as possible. Programming is provided through the use of small groups. These groups focus on aiding the client in developing functional, practical and useable skills and personal habits to ultimately improve social integration and independent living. Topics covered include self-esteem, budgeting, social development, wellness, recreation, cognitive development and much more. Benefits of participation include improved mood, improved behavior, improved coping skills, better relationships and decreased stress on self and others. Specialized geropsychiatric programming is also available.

Hamilton Center accepts referrals from primary care providers as a co-treater to most comprehensively meet the client's needs.

Program services are scheduled 9:00 a.m. to 3:00 p.m. Monday through Friday. Special weekend and evenings groups are scheduled periodically.

Services may be accessed by calling 937-3700 and requesting an intake appointment. Initial appointments for assessment are at our Illinois Street Office. The program site is located near 46th Street and Keystone Ave.
